

# COVIDSafe Workplace: Hospitality

This visual guide is an overview of key restrictions and recommendations for your industry. Learn more at [coronavirus.vic.gov.au/business](https://coronavirus.vic.gov.au/business)

**Observe density quotients and capacity limits**

**Regularly clean shared and public spaces with disinfectant**

Clean high-touch surfaces twice each day and clean shared equipment between uses.

**To minimise crowding, avoid buffets or communal condiment and drink stations**

**Face mask requirements**

You must follow current face mask directions or other PPE guidelines for your industry

**Cleaning and disinfecting**

Display a cleaning schedule so it is easily accessible to workers. (recommended)
