Guest Coronavirus (COVID-19) Health Questionnaire

VICTORIA
State Government

We encourage accommodation providers to send this questionnaire to guests to complete on behalf of themselves and household members they are travelling with, before leaving home for their stay.

For groups comprising people from multiple households, we encourage one questionnaire is completed for each separate household, rather than one questionnaire for the whole group.

Guest name(s):

_____

Check in date: _____ Check out date: _____

Are you, or a member of your household that you are travelling with, currently required to be in isolation because you have been diagnosed with coronavirus (COVID-19)?	□ YES □ NO
Have you, or a member of your household that you are travelling with, been directed to a period of 14-day quarantine by DHHS as a result of being a close contact of someone with coronavirus (COVID-19)?	□ YES □ NO

If you answered YES to either of the above questions, then the person required to be in isolation should remain in isolation until you are released by DHHS, or until their 14-day quarantine period is complete.

If you answered NO to the above questions, proceed to the symptom checklist below.

Are you, or a member of your household that you are travelling with, experiencing these symptoms?

Fever (If you have a thermometer, take your own temperature. You are considered to have a fever if above 37.5ºC)	□ YES □ NO
Chills	□ YES □ NO
Cough	□ YES □ NO
Sore throat	□ YES □ NO
Shortness of breath	□ YES □ NO
Runny nose	□ YES □ NO
Loss of sense of smell	□ YES □ NO

If you answered YES to any of the above questions, then the person experiencing symptoms should avoid travelling and remain at home. If you are currently travelling, the person experiencing symptoms should return home, or if you cannot return home immediately, isolate that person from others. The person experiencing symptoms should also get tested for coronavirus (COVID-19). You can find the location of testing stations across Victoria at https://www.dhhs.vic.gov.au/getting-tested-coronavirus-covid-19.

If you answered NO to all the above questions, you can proceed with your travel arrangements as planned.

If you develop symptoms, stay at home and seek further advice from the 24-hour coronavirus hotline on 1800 675 398 or your general practitioner.
